

Ethicon is committed to supporting women in GYN and GYN ONC surgery.

We recognize the changing landscape of GYN and GYN ONC surgery and are **committed to representing and advancing diversity in the specialty**—from growing your network to enhancing device design.

GYN/GYN ONC surgeon expert exchange

Provides surgeons the ability to connect with a leading GYN or GYN ONC surgeon for an intimate, customized conversation. Connect one-on-one or in small groups (up to three healthcare providers).

Advancement of Women in Surgery webinar series

Presented by the Johnson & Johnson Institute and the Women's Leadership & Inclusion initiative, the series features stories and experiences of women surgeons who are paving the way for others.

Key society partnerships

Ethicon proudly supports and engages with key GYN and GYN ONC surgical professional societies:

- American Association of Gynecologic Laparoscopists
- Society of Gynecologic Oncology
- Society of Gynecologic Surgeons

Commitment to diverse representation in surgical leadership

Diversity that is truly representative of patients is critical to drive innovation. At Ethicon, we are committed to diverse engagement and representation in the following areas:

- Unmet needs evaluation
- New product development
- Evidence generation
- Professional education content
- Ethicon faculty representation
