

# Warranty Overview

## Manufacturer Warranty Coverage

- Covers repair and loaner equipment costs

Product	Warranty Duration
ETHICON Generator (GEN11) and Power Cord	1 year
FSW11 Foot Switch and Cable	1 year
CRT11 Generator Cart	1 year
HP054 Hand Piece	9 months or 95 uses
HPBLUE Hand Piece	9 months or 100 uses

- Preventative maintenance and output verification are not included

## Extended Warranty

- Available for GEN11 to cover the device after the manufacturer's warranty period
- One-and two-year extended warranties are available

## Use with Third-Party Devices

- Ethicon will not honor warranties if HARMONIC® instruments have been reprocessed, refurbished, repaired, or altered by any third party other than Sterilmed. Because we can fully validate Sterilmed processes, Ethicon will honor warranties for Sterilmed customers.

Please refer to the GEN11 Operator's Manual for complete warranty information.
